B. Areas of State in which services will be provided:

- ☐ Entire State
- ☒ Only in the following geographic areas (authority of Section 1915(g)(1) of the Act is invoked to provide services less than statewide): Greene County

C. Comparability of Services:

- ☐ Services are provided in accordance with Section 1902(a)(10)(B) of the Act.
- ☒ Services are not comparable in amount, duration and scope. Authority of Section 1915(g)(1) of the Act is invoked to provide services without Regard to requirements of Section 1902(a)(10)(B) of the Act.

D. Definition of Services:

Children at-risk case management services is a set of interrelated activities for identifying, coordinating and reviewing the delivery of appropriate services for eligible at-risk children.

The purpose of case management services is to assist those targeted at-risk children in gaining access to needed medical, nutritional, social, educational, transportation, housing and other services; and to encourage the use of various community resources through referral to appropriate providers.

Case Management services will provide necessary coordination with providers of health, family support, employment, justice, housing, counseling, nutrition, social, educational, transportation and other services when needed.

The set of interrelated activities are as follows:

1. Establishing the comprehensive case file for development and implementation of an individualized service plan to meet the assessed service needs of the eligible child. Establishing priorities for initial linkages with providers. This unit of service may be billed only once for each recipient.
2. Assistance to the eligible child in locating needed service providers and making the necessary linkages to assure the receipt of services identified in the service plan.

3. Monitoring and follow-up with the eligible child and service providers to determine that the services received are adequate in meeting the child's assessed needs. Case management follow-up services are limited to 12 visits annually.
4. Reassessment of eligible children to determine the services needed to resolve any crisis situation resulting from divorce, death separation, family structure changes, changes in living conditions, or other events.

E. Qualification of Providers:

1. Provider Qualifications

Enrollment will be accomplished in accordance with Section 1902(a)(23) of the Act. Enrollment is open to all providers who can meet the following requirements:

- a. Must have the capacity to provide the full range of at-risk case management services.
- b. Must meet the applicable state and federal laws governing the participation of providers in the Medicaid program.
- c. Must have demonstrated direct experience in the coordination of educational support services ( HealthCheck, Social Services, Counseling Services, Psychological Services, Student Assistance, Special Education, and Nutritional Services).
- d. Must have demonstrated the ability to obtain collaboration between public and private services providers.
- e. In order to avoid duplication of services and to promote effective community level networking, case management providers must have signed a collaborative agreement with the: Greene County Health Department, Greene County Department of Family and Children Services, Greene County Public Schools and/or city schools, Greene County Commissioners, City of Greensboro, and Greene County Juvenile Court.
